# Getting in College

- How do schools decide who gets in?
  - There are many things considered:
    - GPA
    - Class Rank
    - Level of difficulty in classes
    - Admissions Essays
    - ACT/SAT scores
    - Extracurricular Activities
    - Recommendations

# Academic Rigor

Academic Rigor: Important to maintain.

Colleges like to see English & Math in the senior year schedule.

Colleges can rescind acceptance based on the final transcript.

Be careful when making schedule changes if you have previously sent a transcript. Remember the transcript has current courses. It is the student's responsibility to contact the college before making a schedule change.

If entering the military, senior year performance can affect your options. Be sure to discuss any changes with your recruiter.

# Types of Admissions

- **Early Action vs. Early Decision vs. Regular Deadline**
  - **Early Action:** Non-Binding. An early acceptance into the University. Still have until May 1<sup>st</sup> to make your decision and submit deposits.
    - Often required for consideration for merit-based scholarships
  - **Early Decision:** BINDING! If accepted, you MUST attend this school!
    - Duke, Wake Forest, Davidson, Elon
  - **Regular Deadline:** Non-Binding. Usually in January/February. Use if you need to increase GPA or for E.D. schools you're not ready to commit to attending.
- **Rolling Admissions**
  - Submit ASAP for the best chances of being accepted and better Financial Aid package!
